Dear Property Owner:

On December 10, 2013, Ordinance 2013-08 was passed by the City of Madeira Beach Board of Commissioners on its second reading, which provides for the licensing and inspection of certain residential activities and properties. The Ordinance also establishes procedures, fees, and criteria for licensing, inspection, and license revocation.

The implementation of Ordinance 2013-08 requires that inspections will occur biannually. Properties with odd-numbered addresses will be inspected this year. Properties with even-numbered addresses will be inspected the next year.

The fees associated with this Rental Inspection Ordinance 2013-08 are as follows:

- Initial application.....\$40.00
- Initial inspection.....\$50.00 (*per unit*)
- Re-inspection fee for failure to comply after second inspection.....\$100.00

In the future, *after the initial application and inspection*, the recurring annual fees will be as follows:

- Annual license renewal.....\$50.00
- Annual inspection.....\$68.00 (*per unit*)

You will be sent an invoice for the inspection fees with your business tax receipts. An inspection will be scheduled within fifteen (15) business days from completing the application and upon receipt of the application fee. Please ensure that your information on your business tax renewal is correct and up-to-date.

*** YOU MUST PAY YOUR INSPECTION FEES SEPARATELY FROM YOUR BUSINESS TAX.***
